IMSC2018 Fellowships

A total number of 20 fellowships are granted by the Division of Mass Spectrometry (DSM) of the Italian Chemical Society.

1. Applications must include evidence of student status.
2. Each fellowship covers the registration fee and includes a travel/accommodation grant.
3. The maximum travel/accommodation grant is:
 - € 200.00 for students coming from Italy
 - € 300.00 for students coming from Europe
 - € 500.00 for students coming from out of Europe
4. Fellowship selection will be made by a commission.
5. Payment of the travel/accommodation grant will be made owing to sending of the original receipts for travel expenses incurred.
6. The institution which awarded the fellowship will not correspond on its decisions.
7. All recipients of fellowships must produce a one page report highlighting the scientific and educational benefits of attendance at the IMSC2018.
8. The institution awarded the fellowship withholds the right to use these reports for publicity and host whole or edited versions on their websites.
9. The provision of the fellowship must be acknowledged in the oral/poster communication, if selected by using the logo of the funding institution. This logo must only be used for this presentation and must be deleted from the recipient's computer following the presentation.
